NOTICE

Subject: 2nd International Conference on “Advanced Materials for Green Chemistry and Sustainable Environment” (AMGSE - 2025)

It is with great pride and excitement that the 2nd International Conference on “Advanced Materials for Green Chemistry and Sustainable Environment” (AMGSE - 2025) to be held on 20th–21st March 2025 is going to be jointly organized by School of Basic and Applied Science and Shivaji College, University of Delhi at K.R. Mangalam University.

This conference is being organized in collaboration with Vijnana Bharti (Haryana) and the International Association of Advanced Materials (IAAM), Sweden. The event is graciously sponsored by the Anusandhan National Research Foundation (ANRF), Department of Science and Technology (DST), and the Defence Research and Development Organisation (DRDO), Delhi.

The conference will bring together leading researchers, scientists, academicians, and industry professionals to share insights and advancements in the field of Green Chemistry and Sustainable Environment.

Highlights:

- International and national expert sessions
- Paper and poster presentations
- Networking with renowned scientists and researchers
- Opportunities for knowledge sharing and collaboration

All students (especially those from Science and Engineering streams) are encouraged to participate actively and benefit from this international knowledge-sharing platform.

Dr. Chandra Mohan and Dr. Neeraj Kumari
Convener, AMGSE-2025

Prof. Meena Bhandari (Dean)
School of Basic and Applied Sciences
