To understand about various government schemes and procedure related to micro financing. An extension activity was duly conducted by KR Mangalam University at Spark Minda Foundation on the topic of "Awareness of Government Schemes for Micro- Entrepreneurship " on 11th November 2022.

This informative discussion provided tremendous support to the participants to understand about various government schemes and procedure related to micro financing and How they can further apply for these schemes & avail the required benefits. The session was astutely organised having information imparting rounds in the beginning by Ma'am Shreya Sharma, followed by the distribution of survey forms that the attendants were expected to fill on the basis of question related explanations provided by the volunteers. The session was overall quite interactive since there was necessary discipline maintained throughout.

An additional stress management session was also conducted in order to foster a serene environment and to ease the mind of all attendees through relevant discussion and management techniques to handle loneliness and anxiety, breathing exercises and meditation practices.

The survey and interaction with students of foundation helped us to know about the awareness and curiosity of students to avail financial benefits given by government. As the activities came to a close, there was a satisfactory response since the audience seemed emotionally as well as mentally enlightened and had understood the importance of financial literacy that was imparted by the speakers as well as the faculty members present there.
