RESOLUTION OF 40TH ACADEMIC COUNCIL MEETING HELD ON 27TH JUNE
2026 AT 11:00 AM

AGENDA ITEM NO. 40.32

TO CONSIDER AND APPROVE THE IMPLEMENTATION OF THE SWAYAM (MOOCs) FRAMEWORK, ACADEMIC INTEGRATION OF SWAYAM COURSES, CONDUCT OF END-TERM EXAMINATIONS FOR SWAYAM COURSES, AND ADOPTION OF MOOC COURSES THROUGH THE SWAYAM PLATFORM IN PURSUANCE OF THE UGC (CREDIT FRAMEWORK FOR ONLINE LEARNING COURSES THROUGH SWAYAM) REGULATIONS, 2021 AND UGC D.O. LETTER DATED 03 JULY 2026.

The Member Secretary informed the Council that the **University Grants Commission (UGC), vide D.O. No. 1-8/2017 (SWAYAM) dated 03 July 2026**, has requested all Higher Education Institutions to identify, integrate and adopt SWAYAM MOOCs for the July 2026 Semester in accordance with the **UGC (Credit Framework for Online Learning Courses through SWAYAM) Regulations, 2021**, with the objective of promoting the vision of the **National Education Policy (NEP) 2020** relating to multidisciplinary education, academic flexibility, digital learning, learner mobility and credit transfer.

The Council was apprised that the University has already formulated a comprehensive **SWAYAM (MOOCs) Framework**, providing for:

- Allowing students to earn up to 40% of the total credits/courses prescribed in a semester through approved SWAYAM MOOCs, subject to equivalence, recommendation of the concerned School/Department, approval of the University SWAYAM Advisory Committee, and compliance with the University's Academic Regulations.
- Constitution of a **University SWAYAM Advisory Committee** under the Chairpersonship of the Dean – Academics for identification, mapping, approval, monitoring and periodic review of SWAYAM courses.
- Appointment of **School-level SWAYAM Mentors** to guide students in course selection, monitor progress and facilitate credit transfer.
- Designation of **Ms. Vidhi Gaur, Assistant Professor, School of Education & Assistant Dean – Online and Digital Learning**, as the **University SWAYAM Nodal Officer (UNO)** for coordination with the Ministry of Education, UGC, National Coordinators, Schools and the Controller of Examinations.
- Conduct of **University End-Term Examinations for approved SWAYAM Courses** simultaneously with the University's regular End-Term Examinations, in accordance with

the **UGC Framework for Universities to Conduct Examinations for SWAYAM Courses**, thereby ensuring timely evaluation, declaration of results and seamless credit transfer.

- Identification and mapping of relevant SWAYAM MOOCs with the existing curriculum, finalisation of the credit transfer mechanism, and wider dissemination of approved SWAYAM courses through the University's website and official communication channels, as advised by the UGC.

The Council observed that the adoption of the SWAYAM Framework would significantly strengthen the University's academic ecosystem by promoting blended learning, multidisciplinary education, flexible learning pathways, technology-enabled pedagogy, academic mobility, and enhanced employability while providing access to quality courses offered by premier institutions such as IITs, IIMs, Central Universities, Institutions of National Importance and other National Coordinators under the SWAYAM platform. The proposal is fully aligned with the **UGC (Credit Framework for Online Learning Courses through SWAYAM) Regulations, 2021**, the **UGC Framework for Universities to Conduct Examinations for SWAYAM Courses**, the **UGC communication dated 03 July 2026**, **NEP 2020**, and the University's Statutes, Ordinances and Academic Regulations.

After detailed deliberations, the members appreciated the initiative and unanimously supported the implementation of the proposed framework.
